

Expertise

Protocol number: 41197398  
Order No. / Reference: 25063003  
Inspection date: 22 Aug 2025

Manufacturer: Audi	Model: Q3 40 TDI Sportback quattro S line
VIN: WAUZZZF35M1017747	

Vehicle details	
Manufacturer / Type / Model / Equipment	
Audi Q3 40 TDI Sportback quattro S line	
Vehicle Identification number	WAUZZZF35M1017747
Mileage (Read)	82,546 km
First registration	11 Jan 2021
Number of holders	1
Next periodical technical inspection	01/2026
(Report on hand)	
Power / Engine displacement	140 kw / 1,968 ccm
Fuel type / Cylinder	Diesel / 4
Gearbox / Number of gears	Automatic / 7
Type of drive	All-wheel drive
Type of vehicle	SUV
Colour / colour code	daytonagrau perleffekt (Z7S)
Doors / Seats	5 / 5
Upholstery type	Alcantara / Leather
Colour of upholstery	Black-Anthracite
Vehicle with smoke odor	no
Driving readiness	Not roadworthy / moveable

## Vehicle details

<b>Maintenance booklet / proof</b>	digital proof / complete	<b>Next maintenance in</b>	1,600 km
<b>Last maintenance on / at</b>	11/2023 at 54,131 km		
<b>Key is / should be</b>	2 / 2	<b>FZG documents</b>	ZB#2 (B) was available (copy), ZB#1 (S) was not available
		<b>Letter No.</b>	FU665359
<b>Previous damage / Accident</b>	Detectable	<b>Repainting</b>	Detectable
<b>Inspection conditions</b>	sufficient	<b>Lifting equipment / pit</b>	yes
<b>Test drive</b>	short drive on the company premises	<b>Engine function test</b>	Performed
<b>Driving readiness</b>	Not roadworthy / moveable		
<b>Manufacturer key number/ type code number</b>	0588 / BQV 00774		
<b>Emission standard</b>	EURO6;WLTP;DG;PI/CI; M, N1 I	<b>Fine dust sticker</b>	
<b>Permitted total weight</b>	2,280 kg	<b>Empty weight</b>	

## Tyres

### Mounted tyres

#	Tyre size	Type of tyre	Manufacturer	Tread depth
1)	255/40 R20 101Y	Summer tyres on Light alloy	Continental	6mm / 6mm
2)	255/40 R20 101Y	Summer tyres on Light alloy	Continental	7mm / 7mm

### Additional tyres

#	Tyre size	Type of tyre	Manufacturer	Tread depth
1)	235/50 R19 99V	Winter tyres on Light alloy	Goodyear	6mm / 6mm
2)	235/50 R19 99V	Winter tyres on Light alloy	Goodyear	7mm / 7mm

### Replacement

Typ	Tyre size	Type of tyre	Manufacturer	Tread depth
	Tirefit	Expiration date 11/2027		

**Legend:** Tread depth information for tires on the left is in the first place, for tires on the right is in the second place on the axle in the direction of travel

## Equipment

### Standard equipment

- Airbag for driver and front passenger (with passenger airbag deactivation)
- "quattro" all-wheel drive (permanent all-wheel drive with an electronically controlled multi-plate clutch on the rear axle and wheel-selective torque control. The intelligent quattro strategy continuously monitors the driving condition and distributes drive torque between the front and rear axles via a multi-plate clutch as required. The wheel-selective torque control integrated into the ESC gently brakes the inside wheels during sporty cornering, thus increasing the drive torque to the outside wheels.
- Audi drive select (allows you to set the desired vehicle characteristics; available modes: - auto - comfort - dynamic - offroad - efficiency - individual. This adjusts, among other things, the steering assistance, the engine characteristics or gearshift characteristics (with S tronic) and other optional equipment.)
- Audi pre sense basic (initiates preventive protective measures for the occupants within the system's limits by networking and synchronizing various vehicle systems. In unstable driving conditions, the front seat belts are electrically tensioned. The windows close as needed. The hazard warning lights are activated to warn following traffic.)
- Electrically adjustable and heated exterior mirrors (with integrated LED indicators, including heated windscreen washer nozzles)
- Brake light, third
- Micrometallic silver decorative inlays
- Diesel particulate filter (DPF)
- Digital instrument cluster - fully digital instrument cluster in 10.25 inches (speed, time, mileage, outside temperature, fuel warning with remaining range, gear shift recommendation (for manual transmission and automatic transmission in manual mode), current radio station or music track, radio and media lists, display in classic style, if available: telephone menu (in conjunction with multifunction steering wheel), on-board computer with short- and long-term memory, fuel-saving tips for more economical driving including break recommendation)
- Electric windows front and rear
- Floor mats front and rear
- Statutory emergency call (complies with the legal requirements of the pan-European emergency call system. The emergency call is triggered either manually or automatically in the event of a serious accident and establishes a voice connection with a local emergency control center in the respective national language. In addition, vehicle-related data is collected and also sent to the local emergency control center.)
- Rear window wiper
- Airbag: Front side airbags and head airbag system (front side airbags integrated into the seat backrests; with additional head airbag system; deploys in front of the side window area and thus helps to protect front and outer rear passengers in the event of a side impact)
- Anti-lock braking system (ABS)
- Audi connect Emergency Call & Service (includes the following services: - Statutory emergency call - Audi connect Emergency Call. In the event of a serious accident, an emergency call is automatically triggered. - Online Breakdown Call. In the event of a breakdown, the customer can initiate the online breakdown call using the service call button in the roof module. - Audi Damage Service. If the vehicle sensors detect a minor accident without airbag deployment and/or seatbelt tensioning, the customer is automatically notified via Audi Damage Service. - Audi service appointment online.)
- Audi pre sense front (within the system limits, uses front radar to detect the area in front of the vehicle and warns the driver with visual and acoustic signals to indicate a potentially dangerous situation caused by vehicles driving ahead or stationary vehicles. Pedestrian and cyclist detection registers, within the system limits, when a pedestrian or cyclist is moving on or crossing the road. The system then warns the driver with an acoustic and visual signal.)
- Hill start assist (after prolonged application of the foot brake while stationary, the built-up brake pressure is maintained for a short moment after the foot brake is released. This automatic braking intervention makes it easier for you to start off comfortably on inclines)
- tachometer
- Door sills with aluminum inlay (front, illuminated, with S lettering)
- Electromechanical parking brake (includes parking brake function when stationary, starting aid through automatic release when starting off and emergency braking function while driving across all four wheels)
- Electronic Stabilization Control (ESC)
- Chassis: Sport chassis (sporty chassis, with stiffer spring-damper tuning)
- Adjustable speed limiter (allows you to individually limit the maximum speed starting at 30 km/h, e.g., within built-up areas. When the set limit is reached, the vehicle gently slows down. It is operated via a separate steering column stalk. The set maximum speed is displayed in the driver information system. The limit can be canceled at any time using kickdown.)
- Transmission: S tronic 7-speed
- Heated rear window
- Child safety lock electrically operated

- ISOFIX and Top Tether child seat attachment for the outer rear seats (standard bracket for convenient attachment of i-Size and ISOFIX child seats – including an additional attachment point (Top Tether). The recommended child seats are available from your Audi partner.)
- Headrests (5) front and rear
- Steering wheel: 3-spoke leather steering wheel with multifunction controls (The height and reach of the steering wheel are manually adjustable. The steering wheel is equipped with 6 multifunction buttons for convenient operation of the extensive standard and optional infotainment features.)
- Progressive steering (steering with variable steering ratio dependent on the steering angle, as well as speed-dependent steering assistance - various modes (auto, comfort, dynamic) adjustable via Audi drive select (optional) - increased driving dynamics and driving comfort through more direct steering behavior (e.g. on winding country roads or when turning) and reduced steering effort (e.g. when parking and maneuvering))
- Radio accessories: 4 front speakers (40 watts)
- Radio accessories: Digital radio reception (DAB) (in addition to the analogue station offering, reception of digitally broadcast radio stations according to the DAB standard including DAB+ and DMB audio.)
- Rear seat bench plus (rear seat backrest foldable in a 40:20:40 ratio - rear seat bench adjustable in length - rear seat backrest angle adjustable)
- Lane Departure Warning and Lane Change Warning (Lane Change Warning (The system warns the driver of a potential hazard when changing lanes via a display on the respective exterior mirror.) In conjunction with Parking Aid Plus or the Parking Assistant including Cross Traffic Assist. Lane Departure Warning helps prevent unintentional lane departure within the system's limits.)
- Front/rear bumpers and underbody protection (wheel arch covers and side sill panels in Manhattan Grey Metallic)
- Phone: Bluetooth interface (The smartphone can be connected to the vehicle via Bluetooth to play music or make phone calls. Depending on the smartphone model, emails and text messages can also be displayed in the MMI via Bluetooth.)
- Manual air conditioning (cools or heats the vehicle interior - air distribution and fan manually adjustable - manual recirculation mode - particle filter - dust and odor-separating cabin filter, which reduces the vehicle interior's exposure to dust particles, odors, and allergens)
- LED headlights (low beam, high beam, daytime running lights and position lights in LED technology - indicators in bulb technology)
- Light/rain sensor (to control the automatic headlights, windshield wipers, and the coming-home/leaving-home function)
- Gloss package (roof frame and window channel strips in anodized aluminum)
- Wheel: Tire pressure monitoring indicator (visual and acoustic warning in case of pressure loss on one or more wheels)
- Wheel: Tire repair kit (12 V compressor and tire sealant, maximum speed 80 km/h)
- Radio: MMI Radio (10.25-inch digital instrument cluster - without additional MMI touch display - 1 × USB Type-A port for charging external devices - Bluetooth interface (hands-free calling and audio streaming) - voice control for telephony and media - 4 passive front speakers with 40 watts - AM/FM phase diversity - speed-dependent volume adjustment - accent area around the central storage compartment in the dashboard in matt black, surround in micrometallic silver - DAB+)
- Seats: Standard front seats (with manual adjustment of seat height, seat fore/aft position, backrest angle, headrest height and belt height)
- Start-stop system with recuperation (helps reduce fuel consumption and CO2 emissions by switching off the engine when stationary, e.g., at traffic lights. For a restart, the starting process is initiated as soon as the clutch is depressed (manual transmission) or the footbrake is released (S tronic). Can be deactivated at any time using a switch.)
- Glazing: Windscreen in acoustic glazing (heat-insulating glass)
- Electronic immobilizer (integrated into the engine control unit, automatic activation via vehicle key)
- Central locking (with radio remote control)

### Extra equipment

- Aluminum look in the interior (elements on the mirror adjustment switch, the window switches, the parking brake control button and door trims in aluminum look)
- Ambient Lighting Package Plus (content changes and color adjustments in addition to the Ambient Lighting Package: A selection of 30 colors is available. -Contour lighting for the front/rear doors - Entry lights on the undersides of the rear doors -Ambient fabric panel lighting for the front/rear doors -Side ambient lighting for the front center console -Illuminated storage compartment under the instrument panel -Illuminated quattro lettering or Audi rings (with front-wheel drive) on the instrument panel on the passenger side)
- 2-zone comfort automatic climate control (electronically regulates air temperature, air volume, and distribution - separate temperature distribution for driver and passenger side - sun position-dependent control - automatic air recirculation control via air quality sensor - dust and odor-separating allergen filter - air vents in the rear center console - separate defroster button for faster defrosting of the windshield and side windows)

- Electrically adjustable, heated, and foldable exterior mirrors (including automatic curbside function for the passenger exterior mirror with integrated LED indicator, including heated windshield washer nozzles. The automatic curbside function folds the passenger mirror down when reverse gear is engaged, giving the driver a better view of the curb)
- Luggage compartment lid, electrically opening and closing (The luggage compartment lid can be opened electrically by pressing the button on the vehicle key, in the driver's door, or the soft-touch button on the luggage compartment lid handle. Closing the luggage compartment lid is just as easy and convenient as opening it: simply press the button on the inside of the luggage compartment lid, the button in the driver's door, or the button on the optional convenience key. A closing aid makes manual closing easier when necessary.)
- Matrix LED headlights (technology combines a camera system with LED light sources and precise optics for highly adaptive light distribution. Functionalities: -Daytime running lights -Dipped beam -Position lights -Indicating lights -Cornering lights (supplements side illumination for tight bends and when turning) -All-weather lights -Maneuvering lights -Highway lights -Automatic dynamic headlight range control -Dynamic cornering lights (navigation data-based) -Headlight cleaning system)
- Phone: Audi Phone Box (A smartphone can be paired with the vehicle via Bluetooth to either play music or make phone calls. This connects to the vehicle antenna, improving reception and call quality. Furthermore, the smartphone can be charged via wireless charging with the Qi standard or via a USB port if the smartphone is still in the storage compartment.)
- Radio accessories: Audi sound system (10 speakers including center speaker and subwoofer - 6-channel amplifier - total output of 180 watts)
- S line interior package (sports seats with S embossing - Puls fabric/mono.pur 550 synthetic leather seat upholstery - 3-spoke leather steering wheel with multifunction plus including steering wheel and selector knob in perfect leather, S line emblem - matt brushed dark aluminum inlay - accent panels in slate gray fine-finish paint - black fabric headliner - door sills with aluminum inlays (front and back), illuminated, with S lettering - stainless steel loading sill protectors - stainless steel pedals and footrest - front/rear floor mats - rear seat bench plus with center armrest)
- Seat upholstery in Alcantara Frequenz/synthetic leather mono.pur 550 combination S line (seat center panel of the front and both outer rear seats in Alcantara Frequenz black - inner seat side bolsters and accent stripes on the seat in black leather - outer seat side bolsters, middle seat in the rear and front center armrest (if ordered) in synthetic leather mono.pur 550 black - contrast stitching in rock gray - with S embossing on the front seat backrests)
- Assistance package (Adaptive Cruise Assistant (combines adaptive cruise control with lane control) - Emergency Assist (Lane Departure Warning. If the driver does not react, the system takes over control of the vehicle and automatically brings it to a stop in its own lane, the hazard warning lights are activated.) - High Beam Assistant - Parking Aid Plus)
- Audi connect navigation & infotainment
- Audi connect Remote & Control
- Audi virtual cockpit plus (fully digital 12.3-inch instrument cluster in full HD resolution with additional graphic display options: Classic, Sport, and Dynamic designs for flexible and needs-based display of the respective information according to the driver's needs: speed/rpm, map display, Audi connect services, radio/media information, etc. Two different sized instrument display options. Configuration of onboard computer values in the rev counter is possible, including break recommendation).
- Black Optics package (adds black exterior accents to the Audi Singleframe, the trim strips on the side windows, and the front and rear bumpers. Design varies depending on the model and equipment. The roof rails are black.)
- Finish: pearl effect
- Front center armrest (adjustable in inclination, longitudinally movable)
- Front seat heating (heated seat and backrest center panel on standard seats, otherwise seat and backrest center panel and seat side bolsters - individually adjustable in 3 stages for driver and front passenger side via direct selection button on the climate control panel)
- MMI Navigation plus (in addition to MMI Radio plus with the following features: - Navigation system with high-resolution 10.1-inch color display - Camera-based traffic sign recognition - Additional display in the optional Audi virtual cockpit - Map update - 3D map display - Personal route assistance - MMI search - MMI touch - Operation via natural language interaction - Detailed route information - Includes a selected Audi connect navigation & infotainment portfolio)
- Paintwork: Full paint
- Parking aid plus
- Rear view camera (The rear view camera detects the area behind the vehicle within system limits and displays it on the MMI screen using dynamic display elements. It is possible to choose between perpendicular parking and trailer mode in conjunction with a factory-installed trailer hitch. Depending on the selected mode, the calculated lane or a guide line for coupling a trailer is displayed. The rear view camera is discreetly integrated into the handle bar of the trunk lid.)

- Steering wheel: Sport contour leather steering wheel in 3-spoke design with multifunction plus and flattened lower shift paddles (The height and reach of the steering wheel are manually adjustable. The steering wheel is equipped with 12 multifunction buttons for convenient operation of the extensive standard and optional infotainment features.)
- Wheel: Audi Sport alloy wheels in 5-twin-spoke rotor design, matt black (8.5 J x 20 with 255/40 R 20 tires - high-sheen finish)

## Brief expert findings

Documents submitted	At the time of the inspection, the registration certificate Part 2 (letter) was available, but the registration certificate Part 1 (certificate) was not. (Copy)
VIN comparison	The vehicle identification number (VIN) was read from the vehicle and its conformity with the submitted documents was verified during the inspection by the undersigned.
Inspection	The inspection conditions were sufficient for the assessment of the vehicle. Lifting equipment and a pit were available for examining the vehicle.
Test drive	A short maneuvering and shunting trip was carried out on the company premises.
Engine function test	An engine test run was performed.
Driving readiness	At the time of inspection, the vehicle was not drivable under its own power, but can be moved on its own axle with the aid of auxiliary equipment.

## Value reducing factors

No.	Component group	Description
1	Rear bumper	Rear bumper - Scratch(es) - Smart repair
2	Rear bumper	Spoiler - Scratch(es) - Smart repair
3	Wheel / tyres	Tyre - front right side (nicht fahrbereit) - Damaged - Replace
4	Front bumper	Front bumper - Scratch(es) - Paint

## Wear and tear

No.	Component group	Description
1	Bonnet	Bonnet - Stone chips - No deduction
2	Vehicle glazing	Windscreen - Stone chips - No deduction
3	Roof	Roof - Stone chips - No deduction
4	Door - rear right side	Door - Dent / paintcoat damage - Smart repair

The vehicle shows signs of wear commensurate with its age and use.

## Previous damages

No.	Previous damage	Extent of damage (Net)
1	Side right, Provided by user / customer, from 17 Oct 2023	1.964,23 €
2	Side - left, Provided by user / customer, from 17 Oct 2023	2.120,53 €

## Repainting

No.	Repainting
1	Roof rail - left side, Professionally carried out, Invoice of repair done Non-existent
2	Roof rail - right side, Professionally carried out, Invoice of repair done Non-existent

#### No. Repainting

- 3 Mudguard - left side, Professionally carried out, Invoice of repair done Non-existent
- 4 Mudguard - right side, Professionally carried out, Invoice of repair done Non-existent
- 5 Side panel - rear left side, Professionally carried out, Invoice of repair done Non-existent
- 6 Side panel - rear right side, Professionally carried out, Invoice of repair done Non-existent
- 7 Door - rear left side, Professionally carried out, Invoice of repair done Non-existent
- 8 Door - rear right side, Professionally carried out, Invoice of repair done Non-existent
- 9 Door - front left side, Professionally carried out, Invoice of repair done Non-existent
- 10 Door - front right side, Professionally carried out, Invoice of repair done Non-existent

#### Paint coat thickness measurement

Roof rail - left side	210 µm	Roof rail - right side	203 µm
Mudguard - left side	242 µm	Mudguard - right side	215 µm
Side panel - rear left side	222 µm	Side panel - rear right side	215 µm
Door - rear left side	241 µm	Door - rear right side	256 µm
Door - front left side	232 µm	Door - front right side	257 µm

#### Order/Scope of order

The order was placed to prepare a sales report for the vehicle described. This includes the following:

- Description of core relevant information about the vehicle
- Documentation of equipment features  
(*Delivery by third-party service providers*)
- Documentation of damage, defects, missing parts
- Documentation of previous damage, unrepaired previous damage, repainting
- a brief visual or functional inspection of the equipment details if possible.  
(*Functional tests of driver assistance systems are not included in the scope of services!*)
- a photo documentation of the vehicle

#### Basis for the order

This product is based on the Alphabet Fuhrpark GmbH guidelines for vehicle returns and valuations. The expert makes the explicit findings in each individual case objectively within the framework of the specified standards based on his or her own expertise.

The vehicle inspection takes place in a disassembled state.

Damage or defects that can only be detected during disassembly/diagnosis work or through advanced knowledge remain within the scope of the prognosis risk. An extended risk exists for concealed defects caused by fraudulent deception and not identifiable by the expert.

Damage or defects resulting from normal use or wear and tear of the vehicle will be accepted according to the applicable standard.

There was no explicit identification or monetary consideration of the expected features within the product.

Features which in their nature and severity slightly exceed normal use but do not constitute unacceptable damage will be documented and identified under signs of use if necessary.

Damage or defects which, according to the underlying standard, can no longer be attributed to normal use or wear and tear are listed in the product under "Depreciating Factors".

Depending on the product specification, a monetary ID can be provided. If this takes place, the costs can be 100% d or pro rata depending on the vehicle's age and mileage.

## Previous damages

According to available information previous damages were repaired at the vehicle. Traces of repairs, which allow conclusions about the area of repair, were not recognizable during the inspection.
