

Expertise

Protocol number: 41215625
Order No. / Reference: 24972730-1
Inspection date: 25 Aug 2025

Manufacturer: Audi	Model: Q2 35 TDI S tronic
VIN: WAUZZZGAXNA043033	

Vehicle details	
Manufacturer / Type / Model / Equipment	
Audi Q2 35 TDI S tronic	
Vehicle Identification number	WAUZZZGAXNA043033
Mileage (Read)	40,930 km
First registration	10 May 2022
Number of holders	1
Power / Engine displacement	110 kw / 1,968 ccm
Fuel type / Cylinder	Diesel / 4
Gearbox / Number of gears	Automatic / 7
Type of drive	Front drive
Type of vehicle	SUV
Colour / colour code	Ibisweiss (Y9C)
Doors / Seats	5 / 5
Upholstery type	Cloth
Colour of upholstery	Black-Anthracite
Vehicle with smoke odor	no

Vehicle details

Maintenance booklet / proof	Non-existent	Next maintenance in	8,500 km
Key is / should be	2 / 2	FZG documents	ZB#2 (B) was available (copy), ZB#1 (S) was not available
		Letter No.	GJ134523
Previous damage / Accident	None detectable	Repainting	None detectable
Inspection conditions	sufficient	Lifting equipment / pit	yes
Test drive	Not performed	Engine function test	Performed
Manufacturer key number/ type code number	0588 / BJW 00175		
Emission standard	EURO6;WLTP;AP;PI/CI; M, N1 I	Fine dust sticker	
Permitted total weight	1,980 kg	Empty weight	

Tyres

Mounted tyres

#	Tyre size	Type of tyre	Manufacturer	Tread depth
1)	205/60 R16 92V	Summer tyres on Steel rim with wheel cover	Bridgestone	6mm / 6mm
2)	205/60 R16 92V	Summer tyres on Steel rim with wheel cover	Bridgestone	6mm / 6mm

Additional tyres

#	Tyre size	Type of tyre	Manufacturer	Tread depth
1)	205/60 R16 96H	Winter tyres on Light alloy	Dunlop	7mm / 7mm
2)	205/60 R16 96H	Winter tyres on Light alloy	Dunlop	7mm / 7mm

Replacement

Typ	Tyre size	Type of tyre	Manufacturer	Tread depth
Tirefit		Expiration date 03/2026		

Legend: Tread depth information for tires on the left is in the first place, for tires on the right is in the second place on the axle in the direction of travel

Equipment

Standard equipment

- Storage compartments (glove compartment, cup holder and storage compartment in the center console, front and rear door pockets, storage compartment in the rear center console)
- Airbag: Front side airbags and head airbag system (front side airbags integrated into the seat backrests; with additional head airbag system: unfolds in front of the side window area and thus protects front and outer rear passengers in the event of a side impact)
- Electrically adjustable exterior mirrors (with integrated LED indicators, aspherical mirror glass on the left and convex on the right; body color)
- Exterior mirror housings in body color
- Onboard tools (in the luggage compartment)
- Brake Assist for Secondary Collision (In the event of an accident, the vehicle is prevented from rolling uncontrollably in certain situations. This can help prevent secondary collisions in these cases.)
- Diesel particulate filter (DPF)
- Electromechanical parking brake (includes parking brake function when stationary - starting aid through automatic release when starting off and emergency braking function while driving on all four wheels)
- Electronic Stabilization Program (ESP)
- Velour floor mats (front and rear in black)
- Adjustable speed limiter (allows you to individually limit the maximum speed starting at 30 km/h, e.g., within built-up areas. When the set limit is reached, the vehicle gently slows down. It is operated via a separate steering column stalk. The set maximum speed is displayed in the driver information system. The limit can be canceled at any time using kickdown.)
- ISOFIX and Top Tether child seat attachment for the outer rear seats (standard bracket for convenient attachment of ISOFIX child seats – including an additional attachment point (Top Tether). The recommended child seats are available from your Audi partner.)
- Headrests (3) rear
- Paint finish: Uni
- Steering column mechanically adjustable in height and distance
- Light and rain sensor (for controlling automatic headlights, windshield wipers, and the Coming Home/Leaving Home function: delayed switching on/off of headlights, tail lights, and license plate lights)
- Progressive steering (steering with variable steering ratio dependent on the steering angle and speed-dependent steering assistance, adjustable via Audi drive select (auto/comfort/dynamic); increased driving dynamics and ride comfort through more direct steering behavior (e.g., on winding country roads or when turning) and reduced steering effort (e.g., when parking and maneuvering).)
- Tire pressure monitoring indicator (visual and acoustic warning in case of pressure loss on one or more wheels)
- Adaptive brake light (flashing of the brake light during emergency braking to warn following traffic. Automatic activation of the hazard warning lights when stationary)
- Airbag for driver and front passenger (full-size airbag, with passenger airbag deactivation)
- Anti-lock braking system (ABS)
- Traction control (ASR)
- Audi pre sense front (within the system limits, uses front radar to detect the area in front of the vehicle and warns the driver with visual and acoustic signals to indicate a potential hazard from vehicles ahead or stationary vehicles. Pedestrian detection detects, within the system limits, when a pedestrian is moving on or crossing the road. If the driver does not react, a brief braking jolt is applied; to gain attention; if no action is taken, automatic emergency braking is initiated.)
- Headlining in titanium grey fabric
- Diamond lacquer silver-grey decorative inlays (for door handles and dashboard; knee pad for center console in black without decorative inlay)
- Electronic differential lock (EDS)
- Electronic Stabilization Control (ESC) with wheel-selective torque control (switchable, with hydraulic brake assist.)
- Electric windows front and rear (with excess force limiter, convenient opening/closing via remote key, touch-open and touch-close function)
- Transmission: S tronic 7-speed
- Heated rear window (with timer)
- Rear window wiper
- Interior lighting
- Interior mirror, manually dimming
- Manual parental control
- Manual air conditioning (cools or heats the vehicle interior, manually adjustable air distribution, manual recirculation mode, defroster nozzles for windscreen and side windows; particulate filter)
- Headrests (2) height adjustable
- Paintwork: Blade in body color
- Loading floor (2-stage height adjustable)
- Headlight range adjustment, automatic dynamic (adjusts while driving)
- Non-smoking version
- Upholstery: Script fabric (standard front seats: seat center panel in black script fabric, seat side bolsters, front center armrest (if ordered) and headrests in plain black fabric)
- Wheel: Tire repair kit (12 V compressor and tire sealant, maximum speed 80 km/h)
- Wheel: Steel wheels 6J x 16" (with tires 205/60 R 16 - including wheel cover)

- Seats (standard seats) in the front (with manual adjustment of seat height, seat length, backrest angle, headrest and belt height)
- Seats: Rear seat backrest foldable (split, 40 : 60 or fully foldable)
- 12 volt socket (in the front center console)
- Telephone accessories: Bluetooth interface (Bluetooth-enabled mobile phones can be connected to the vehicle via the interface. The following functions are supported: - Hands-free calling in the vehicle via roof microphone and loudspeaker (HFP) - Bluetooth audio streaming (A2DP) - Display of incoming SMS (MAP) and email (MAP) - Operation via the radio/navigation systems or a multifunction leather steering wheel including voice control for the telephone functions)
- Electronic immobilizer (integrated in engine control unit, automatic activation via vehicle key)
- Central locking/remote control key (locks and unlocks doors, luggage compartment and fuel tank flap, including convenient window opening/closing)

Extra equipment

- Parking aid plus (supports the driver when parking and maneuvering with acoustic signals and a display on the MMI display. The parking aid is activated by engaging reverse gear or via a button on the center console, or automatically when the distance to a detected object is less than 90 cm. Automatic activation can be switched on and off.)
- Cruise control (maintains the individually set speed between 20 and 250 km/h, engine power permitting. It is operated via a separate steering column stalk. The set speed is displayed in the driver information system. The system does not react to vehicles ahead with distance control. Includes an adjustable speed limiter.)
- MMI Navigation plus with MMI touch (Navigation system with high-resolution 8.3-inch color display, online map updates, 3D map display, online traffic information, MMI search, MMI touch operation using natural language, detailed route information, convenient internet connection, Wi-Fi hotspot, myAudi points of interest, country information, email display, flash memory for music (10 GB), DVD drive (MP3, WMA, AAC, MPEG-4), 8 passive speakers, 80 watts, Bluetooth interface)
- Phone: Audi Smartphone Interface (The Audi smartphone interface connects your smartphone to your Audi. It seamlessly displays your smartphone content directly on the MMI display via USB. Navigation, telephony, music, and selected third-party apps can be conveniently controlled via the MMI controller and your smartphone's voice control.)

- Radio: MMI Radio plus (7-inch color display, Bluetooth interface (hands-free calling and audio streaming), voice dialogue system (only in conjunction with multifunction steering wheel), 4 passive speakers, 40 watts, single CD drive (MP3, WMA, AAC compatible), 1 SDXC card reader, 1 AUX-IN connection, AM/FM radio, speed-dependent volume adjustment, MMI control panel, Car Menu)
- Seats, driver's seat height adjustable
- Start-stop system with recuperation (helps reduce fuel consumption and CO² emissions by automatically shutting off the engine when stationary, e.g., at traffic lights. Restart is initiated as soon as the footbrake is released. Can be deactivated at any time using a button on the center console)
- Four lashing eyes in the luggage compartment (for securing luggage and objects)
- Warning and control lights (e.g. for: airbag, ABS, ESC/ASR, handbrake engaged, EDS electronics, generator, lights, high beam, indicators, brake system, engine oil pressure, closed luggage compartment lid, engine electronics, preheating system)
- Heat-insulating glazing (for windscreen, rear window, door and side windows - rear window heated, with timer)
- Trim strips standard plastic black

- Driver information system (color display) (with high-resolution 3.5-inch color display. Display contents: - Speed (digital speedometer) - Time, mileage, outside temperature, fuel warning with remaining range - Gear shift recommendation (manual transmission and automatic transmission in manual mode) - Current radio station or music track - Radio and media lists - Phone menu (in conjunction with multifunction steering wheel) - If available: Navigation information - On-board computer with short- and long-term memory - Including break recommendation)
- Paint: Blade in Ibis White
- Steering wheel: Leather steering wheel in 3-spoke design with multifunction plus (with full-size airbag, adjustable in height and reach, including leather gearshift or selector lever knob with 12 multifunction buttons for convenient operation of the existing infotainment features such as media, telephony, navigation, or the freely programmable button)
- Telephone: Audi Phone Box (allows you to make phone calls in the vehicle by placing your mobile phone in the universal mobile phone holder in the front center armrest area. Includes a hands-free system. Connection of two telephones (2x HFP/PBAP). Operation via the radio/navigation systems or a multifunction leather steering wheel. Including voice control for the telephone functions. Including a coupling antenna for connecting the mobile phone to the external antenna, thus low radiation in the vehicle interior and improved reception.)

Brief expert findings

Documents submitted	At the time of the inspection, the registration certificate Part 2 (letter) was available, but the registration certificate Part 1 (certificate) was not. (Copy)
VIN comparison	The vehicle identification number (VIN) was read from the vehicle and its conformity with the submitted documents was verified during the inspection by the undersigned.
Inspection	The inspection conditions were sufficient for the assessment of the vehicle. Lifting equipment and a pit were available for examining the vehicle.
Test drive	No test drive/maneuvering was carried out during the inspection of the vehicle.
Engine function test	An engine test run was performed.

Value reducing factors

No.	Component group	Description
1	Front bumper	Spoiler - Scratched - Loss in value
2	Body	Body - Damage by hail - repair according to calculation

Wear and tear

No.	Component group	Description
1	Misc.	Inspection / maintenance - No evidence - No deduction

The vehicle shows signs of wear commensurate with its age and use.

Order/Scope of order

The order was placed to prepare a sales report for the vehicle described. This includes the following:

- Description of core relevant information about the vehicle
- Documentation of equipment features
(*Delivery by third-party service providers*)
- Documentation of damage, defects, missing parts
- Documentation of previous damage, unrepaired previous damage, repainting
- a brief visual or functional inspection of the equipment details if possible.
(*Functional tests of driver assistance systems are not included in the scope of services!*)
- a photo documentation of the vehicle

Basis for the order

This product is based on the Alphabet Fuhrpark GmbH guidelines for vehicle returns and valuations. The expert makes the explicit findings in each individual case objectively within the framework of the specified standards based on his or her own expertise.

The vehicle inspection takes place in a disassembled state.

Damage or defects that can only be detected during disassembly/diagnosis work or through advanced knowledge remain within the scope of the prognosis risk. An extended risk exists for concealed defects caused by fraudulent deception and not identifiable by the expert.

Damage or defects resulting from normal use or wear and tear of the vehicle will be accepted according to the applicable standard.

There was no explicit identification or monetary consideration of the expected features within the product.

Features which in their nature and severity slightly exceed normal use but do not constitute unacceptable damage will be documented and identified under signs of use if necessary.

Damage or defects which, according to the underlying standard, can no longer be attributed to normal use or wear and tear are listed in the product under "Depreciating Factors".

Depending on the product specification, a monetary ID can be provided. If this takes place, the costs can be 100% d or pro rata depending on the vehicle's age and mileage.

Previous damages

Apparently, no repaired previous damage could be found on the vehicle.
